

Baking and Pastry Camp

Baking: not just cakes and pies anymore! Learn how to bake from scratch!

Grab a rolling pin and put on an apron! We're going to be sifting, whisking, kneading, mixing and measuring as we bake savory and sweet creations from scratch. You'll learn skills from the basics of proper measuring and correct utensil use to cake creations, flaky pie crusts, the basics of working with yeasted dough and much more!
